We are pleased to invite you to attend the **12th Didactic plus Hands-on / Didactic plus Lab Shadow**, 11th – 13th March 2017, American Hospital & Sharjah Surgical Institute UAE. This unique course will showcase the expertise and knowledge of world renowned surgeons in the field of Ear and sinus surgery. The course is offered for continuing medical education of residents, fellows and practicing physicians. The faculty will lead the participants from the consultation to the management of the most challenging Ear & Sinus procedures. This course is designed to provide participants with a comprehensive overview of the surgical anatomy and techniques for sinus surgery. This will be accomplished with didactic lectures, live surgery and a hands-on fresh frozen cadaver dissection.
