We are pleased to invite you to attend the **14th Annual Hands-On Cadaver Dissection Workshop**, 9th – 12th December 2017, American Hospital & Sharjah Surgical Institute UAE. This unique course will showcase the expertise and knowledge of world-renowned surgeons in the field of Ear and sinus surgery. The course is offered for continuing medical education of residents, fellows, and practicing physicians. The faculty will lead the participants from the consultation to the management of the most challenging Ear & Sinus procedures. This course is designed to provide participants with a comprehensive overview of the surgical anatomy and techniques for sinus surgery. This will be accomplished with didactic lectures, live surgery, and a hands-on fresh frozen cadaver dissection.
